British Values in Writing at Bisley Blue Coat C of E Primary School

Rule of Law

In our writing lessons we follow rules for phonics and grammar. Children are able to talk about these rules and how they have an impact on their written work.

Individual Liberty

In our writing lessons, using a range of genres children are given opportunities to express their views about likes, dislikes and preferences. They work collaboratively and express their views to others.

Democracy

In writing, children are given opportunities to voice their opinions and views about different text types. They are able to share their opinions about the work of others.

Tolerance of others with different faiths and beliefs

Children explore a range of model texts about different cultures and places around the world. They base their writing on these model texts and are encouraged to empathise with the characters and settings they encounter.

Mutual Respect

Children are encouraged to discuss their written work with their peers. They are given opportunities to express their own opinions and views, being respectful in the way they give their feedback.
